EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 1, last line a "surgical instrument" has been replaced by a --surgical reamer--.

Authorization for the amendment is derived from page 6 of applicants' response where all the limitations of claims 2-4 are stated to be placed in claim 1. However, claim 1 as amended did not do this as a sterile pouch was recited "wherein the sterile pouch contains a surgical instrument and wherein such instrument comprises a surgical instrument". The apparent changes desired have been incorporated by the Examiner to avoid the current redundancy of the claim and should be verified by applicant as indicated by the first paragraph of this paper.

Conclusion

2. Any inquiry concerning this communication or earlier communications from the Examiner concerning the merits of the claims should be directed to David T. Fidei whose telephone number is (571) 272-4553. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mickey Yu can be reached on (571) 272-4562.
